

Press Release

15 March 2022

Enwell Energy plc
("Enwell" or the "Company")

Partial Restart of Production Operations

Enwell Energy plc (AIM: ENW), the AIM-quoted oil and gas exploration and production group, advises that, further to the announcement made on 24 February 2022, it has partially restarted production operations in Ukraine at a production rate of approximately 1,600 barrels of oil equivalent per day, with production expected to be maintained at around this level for the immediate future. However, production operations are likely to be intermittent depending on circumstances in the country.

This announcement contains inside information for the purposes of Article 7 of EU Regulation 596/2014, which forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.
